Buckeye Union High School District #201 Tax Credit Donation Form

WHAT IS SCHOOL TAX CREDIT? School Tax Credit is not a tax-deductible contribution. It's better than that! Tax Credit is a portion of your state income tax that you may pay directly to the Public School of Your Choice rather than to Arizona Department of Revenue. In turn, the School is bound to spend tax credit monies for student Extracurricular Activities and/or Character Education Programs.

WHAT IS THE MAXIMUM DOLLAR AMOUNT AND WHO MAY CLAIM THESE TAX CREDITS? Tax credit for single taxpayers or heads of household cannot exceed \$200; for married taxpayers that file a joint return the tax credit cannot exceed \$400. If married taxpayers file separate returns, each spouse may claim one-half of the credit that would have been allowed on a joint return. School Tax Credit is available to individuals only. Credits are not available to trusts, estates, or corporations. Partnerships and S corporations cannot pass the credits through to their partners or shareholders.

WHAT DO I HAVE TO DO TO QUALIFY FOR THIS CREDIT? You must make cash contributions, or pay fees, to a Public School for the support of an extra-curricular activity or for character education programs.

WHAT IS AN EXTRACURRICULAR ACTIVITY? A.R.S. §15-342.24 requires each district school board to determine which activities are extra-curricular and what fees will be levied. It is important to note that at least some monetary amount must be levied to participate in extracurricular activities in order for the credit to be available. This fee is collected annually during the student registration process. In state or out-of-state trips that are solely for competitive events are considered extracurricular. By statute, an extracurricular activity does not include any trips or events that are recreational, amusement, or tourist in nature. Generally, any educational or recreational activities that supplement the educational program of the school are considered extracurricular activities.

WHAT IS A CHARACTER EDUCATION PROGRAM? A character education program is defined in A.R.S. §15-719. Under this statute each district may develop its own course of study for each grade. At a minimum, the character education program must include instruction in the definition and application of at least six of the following character traits: Truthfulness, Responsibility, Compassion, Diligence, Sincerity, Trustworthiness, Respect, Attentiveness, Obedience, Orderliness, Forgiveness and Virtue.

WILL I QUALIFY FOR THE CREDIT IF I PAY FEES FOR MY OWN CHILD TO PARTICIPATE IN AN EXTRACURRICULAR ACTIVITY OR CHARACTER EDUCATION PROGRAM? Yes. Fees that you pay for your OWN CHILD to participate in extracurricular activities qualify for the credit.

HOW IS MY MONEY SPENT? Monies collected may be used for the purpose of purchasing materials, supplies, and services appropriate to extracurricular activities and character education programs, such as, art supplies, stage equipment and costumes, uniforms, field trip transportation cost, admission fees, etc.

WHERE SHOULD THE CENTRAL FUND BE HELD? The central fund should be held at the School District Office. The district must separately account for the funds for each school; per the designated purpose

HOW DO I MAKE MY CONTRIBUTION? Indicate on this form the Extracurricular Activity or Character Education Program you wish to support. Include your name and address on the form and make your check payable to the school of your choice and mail it to the District Office. You will be issued a dated receipt.

IT IS NEVER TOO EARLY TO CONTRIBUTE TO A CHILD'S DEVELOPMENT. Accepted throughout the calendar year, including contributions made to a public school from January 1 through April 15 of the next calendar year may be used as a tax credit on the prior year's tax return.

You do not have to have a child in school. You do not have to contribute to one school only. You do not have to contribute the maximum amount.
